Club of Lake Mary**Rotary announces US
\$96.5 million to end polio**

Rotary International announced nearly \$100 million in grants to support the global effort to end polio, a vaccine-preventable disease that once paralyzed hundreds of thousands of children each year.

The announcement comes as Nigeria marks two years without any reported cases of wild poliovirus, following four reported cases in 2016.

"The fact that no new cases of wild poliovirus have been detected in Nigeria points to the improved surveillance and rapid response protocols Rotary and its Global Polio Eradication Initiative partners have established, particularly in insecure and inaccessible areas," said Michael K. McGovern, chair of Rotary's International PolioPlus Committee. "While this progress is promising, it's time to redouble our efforts so we can continue to maintain the political and financial support necessary to end polio for good."

You should have recently received an invoice for dues and other outstanding balances. Please pay promptly. Our Treasurer reports that lots of Rotarians are overdue.

**Sponsors & Volunteers
Needed****October 21, 2018**

Champions Ride is looking for sponsors. We are asking everyone in the club to please try and bring in at least one sponsor each! If we put effort into this collectively we could have an amazing outcome! Champions Ride For Charities is one of our club's premier events for fellowship as well as raising considerable funds for a number of local charities.

The organizers need your help with both sponsorships and volunteers. Can your company or your circle of influence participate? Please contact Melissa, Jeff, or Mandy if you need any help approaching a corporation or small business. This is an excellent opportunity to be involved in a local event that positively impacts many.

Please review your information on DacDb and ClubRunner to make sure your address, phone number, and email address are all up to date for the new year.
