## This Week's Program: The Grove & Expansion of Behavioral Health

### Rotary Foundation Receives Highest Rating From Charity Navigator For 11th Year

For the 11th consecutive year, The Rotary Foundation has received the highest rating – four stars – from Charity Navigator, an independent evaluator of charities in the U.S.

The Foundation earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency.

"We are extremely honored to be recognized," says Foundation Trustee Chair Ron Burton. "It represents the hard work and dedication of countless Rotarians throughout the world. They know their gifts will be used for the purpose for which they were given and that they will, indeed, make a real difference."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

Is it fun?

### November is Foundation Month

The Rotary Foundation transforms gifts into service projects that change lives both close to home and around the world.

During the past 100 years, The Rotary Foundation has spent \$3 billion on life-changing, sustainable projects.

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Donations make a difference to those who need help most. More than 90 percent of donations go directly to supporting Rotary service projects around the world.

Rotary's 35,000 clubs carry out sustainable service projects that support our six causes. With donations The Rotary Foundation wiped out 99.9 percent of all polio cases. Donations also help Rotary train future peacemakers, support clean water, and strengthen local economies.

It can save a life. A child can be protected from polio with as little as 60 cents. Rotary partners make donations go even further. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.
