This Week's Program

Bryan Nipe

Director of Parks and Recreation

City of Lake Mary

Pat Blake and Ann Burnham

Lake Mary Trailblazers

The City of Lake Mary and the Lake Mary Trailblazers are teaming up to develop and enhance a local community asset. Heritage Park, located in downtown Lake Mary near the SunRail station, will feature a new veterans and first responders memorial to recognize our local heroes. Bryan, Pat, and Ann will share updates on the projects and well as show the memorial rendering and opportunities for community members to engage in the efforts. This is an opportunity for Rotary members to learn first-hand about an important project in the community we serve.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Is it fun?

April is Maternal and Child Health Month

Bryan Nipe

Director of Parks and Recreation City of Lake Mary

Bryan Nipe has 15 years of experience in a management role, 12 of which are in the Parks and Recreation field.

Bryan is currently the Parks and Recreation Director for the City of Lake Mary where he and his team oversee city facilities, building maintenance, beautification, events, recreation programs and the renowned Lake Mary Events Center. Prior to coming

to Lake Mary, Bryan worked for the Seminole County Leisure Services Department as a Division Manager and in South Florida for various consulting engineering firms as an Environmental Specialist. He has a Master's degree in Landscape Architecture, a Bachelor's degree in Applied Economics, and is a Certified Arborist and LEED Accredited Professional. In his off time, Bryan enjoys outdoor living and spending leisure days on the boat with his 5 year old daughter, Julianna, and wife, Catalina.
