Club of Lake Mary**This Week's Program****Club Fellowship Activity & Legacy Speech by Bruce Skwarlo**

A significant part of Rotary membership is fellowship. This week, we will celebrate Rotary International's core value of fellowship with a club activity that will help members connect, learn and engage. We will also have a chance to reconnect with a legacy member who will share his personal and professional journey with Rotary in a legacy speech by Bruce Skwarlo. Get ready for a fun morning with your fellow Rotary Club of Lake Mary members!

**Object of Rotary**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Is it fun?

Rotary Means Business

Wed, April 24, 2019 6:00 PM – 8:00

The Maitland Art Center

231 West Packwood Avenue

Maitland, FL 32751

The Maitland Art Center was founded as an art colony in 1937 by visionary American artist and architect, André Smith (1880-1959). The A&H's Maitland Art Center offers a more immersive and intimate experience than a static museum, and encourages visitors to take a closer look at the artists and the artistic process. Join us as we experience this historic, aesthetic gem set in the middle of busy Central Florida.

This event is organized by District 6980 Rotary Means Business Fellowship. Rotary Means Business Fellowship provides Rotarians business networking events to meet and socialize with other Rotarians in business. Rotary Mean Business provides a unique opportunity for members and prospective members to network with fellow business professionals.
