This Week's Program The Future of Sports in Seminole County

Danny Trosset
Director of Sports Tourism
Orlando North, Seminole County Tourism
Executive Director, Sports 4 the Kids

Lisa Goldman
Board Chair, Sports 4 the Kids

When thinking about what makes Seminole County unique, most people might immediately think of nature vs. sports, but the industry is quickly booming and Seminole County has made a name for itself as a top destination for national sports tournaments. Danny Trosset has the exciting role of attracting visitors to Seminole County and was a part of the rebranding process to "Orlando North". Danny's passion for sports and desire to help youth engage led him to start a non-profit called Sports 4 the Kids which provides scholarships and equipment to financially disadvantaged kids in Central Florida. In this week's program, Danny will be joined by Sports 4 the Kids board chair, Lisa Goldman, who will share information about the organization and the importance of preparing the next generation through sports as well as little known facts about sports tourism in Seminole County. This program will portray Rotary International's core values of service, leadership and diversity through a fascinating story about the power of sports.
