Health Center Manager
Shepherd's Hope

Based on feedback directly from members after our annual meeting, we are excited to welcome a representative from Shepherd's Hope to the Club. Thomas Higgins is the Health Center Manager for the Shepherd's Hope location in Longwood. The organization is dedicated to providing compassionate healthcare to those in need by collaborating with community partners. Patients who are eligible for services through Shepherd's Hope have income at or below 200% of the poverty level, are uninsured and not eligible for government assisted health care programs. Thomas will share information about Shepherd's Hope, their exciting plans for the future as well as the Rotary Club of Lake Mary's past involvement and future opportunities. This week's program will focus on Rotary International's core values of service and diversity.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
