President, National Entrepreneur Center
Orlando, Florida

Mr. Ross is currently President of the National Entrepreneur Center in Orlando, Florida where thousands of small businesses are coached and trained each year. The Center has 13 resident business support organizations who contribute to economic development through small business development. True collaboration for the community!

Our club is updating its bylaws and will soon be sending notice to club members of proposed amendments for a vote.

A note about bylaws and other governing documents: Clubs and districts are guided by the Manual of Procedure, RI Constitution, and RI Bylaws. These documents provide the structure for RI's policies and procedures. Every club and district can propose amendments to constitutional documents through the Council of Legislation. Individual clubs are guided by their own Club constitution and bylaws. Clubs can tailor the bylaws for their own use, so long as the bylaws align with Rotary's constitutional documents and the Rotary Code of Policies.

Is it fun?

Sponsors & Volunteers Needed

October 21, 2018

Champions Ride is looking for sponsors. We are asking everyone in the club to please try and bring in at least one sponsor each! If we put effort into this collectively we could have an amazing outcome! Champions Ride For Charities is one of our club's premier events for fellowship as well as raising considerable funds for a number of local charities.

The organizers need your help with both sponsorships and volunteers.

Can your company or your circle of influence participate? Please contact Melissa, Jeff, or Mandy if you need any help approaching a corporation or small business. This is an excellent opportunity to be involved in a local event that positively impacts many.

Be the inspiration to others in your circle of influence! Join "Rotary Club of Lake Mary" on LinkedIn and Facebook.

Please keep those who cannot be with us due to illness or injury in your thoughts.
