Vocational Service & Inspiration

Vocational Service focuses on:

- Adherence to and promotion of the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just those that are pursued by Rotarians.
- The contribution of your vocational talents to solving the problems of society and meeting the needs of the community.

During January, Rotarians are encouraged to focus on this important avenue of Rotary service. Discussions on vocational service can lead to projects that not only develop the ethical consciousness and vocational skills of Rotarians but also the talents within their communities. Vocational Service Month is an opportunity to begin year-long vocational service activities, ranging from Rotary discussions to awards to community projects.

Is it fun?

January is Vocational Service Month

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service.

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third: The application of the ideal of service in each Rotarian's personal, business, and community life.

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
