Club of Lake Mary**This Week's Program:
Annual Meeting Review & Update**

Our club stands out in the District for many reasons. We are often celebrated for our member growth and retention, high participation of women among our membership and leadership, and the innovation we display in engaging members and interacting with the community. One innovation which the District has copied is that, this year, all clubs in the District are encouraged to survey their members for feedback. This is something our club has done for many years at our annual planning meeting. This year's meeting, to which all members were invited, occurred on January 24, 2019. In this week's meeting, we will hear feedback received from our members from that meeting, and we will discuss member recommendations and thoughts on current and future activities as we plan for the future.
