This Week's Program:

Veterans Day

Ephraim Grubbs III

Ephraim holds the rank of Colonel in the North Carolina Army National Guard and has over 25 years of Military Service. He has also been an active Rotarian for more than 15 years and coaches a variety of local football, baseball and basketball teams.

Ephraim co-founded The Adjutant Group in 2009 and under his leadership TAG has grown from a local-based construction management (CM) firm to a full-service CM and General Contracting company covering the South East. Ephraim is actively involved in the day-to-day management of all aspects of TAG: developing goals, operating plans, corporate policies, short and long-term objectives, establishing organizational structure, advising other executives, and reviewing results of business operations.

Ephraim is a Licensed General Contractor in North Carolina, South Carolina and Florida and has more than 20 years of experience in development and construction of complex projects. He holds a Master in Strategic Studies from the U.S. Army War College, a Master in Business from Mississippi College, and a Bachelor of Science degree in Business Administration from The Citadel Military College of South Carolina.

Is it fun?
